

# REAL ESTATE INVESTMENT CONSULTATIONS

We work with the best licensed professionals in the myrtle beach area to help you achieve your financial & real estate portfolio goals.

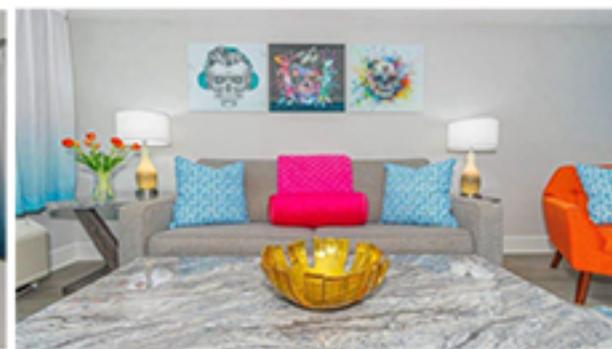

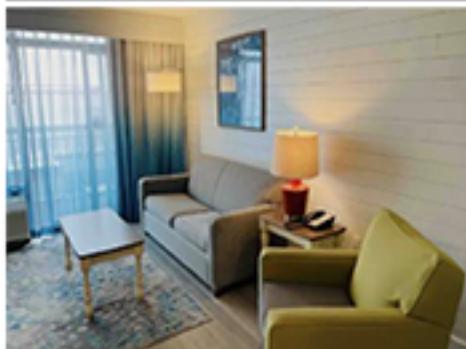

In 2020 I purchased my 1<sup>st</sup> Condotel in Myrtle Beach. Four years later I retired from my career as a Regional Manager of Hotel Operations. I spent 20 years managing properties and hotels and increasing profits for larger corporations. Once retired, I purchased another Condotel in Myrtle Beach and an investment home in Little River, South Carolina. All properties are paying for themselves and continue to build equity and quarterly cash profits. I now started my own company to help others benefit in the same opportunity and bring experienced teams who have worked with me for many years to help you expand your financial goals, you're your business or build a real estate portfolio.
